

# MARK STOKES

## ONLINE EDITOR

Mark's work spans a wide variety of factual broadcast genres, drama and children's television. Many of the programmes he has worked on have garnered RTS awards and a children's BAFTA. Mark is able to work as a dedicated finishing editor providing both the online edit and grade using Avid Symphony. He also works closely with Flix's senior colourist Liam Shanagher to provide a seamless and efficient workflow between grade and online, dealing with sequence preparation, through to final reassemble of the completed programme and delivery. With an exceptionally high QC and QAR pass rate, he is a technically rounded and knowledgeable asset. Mark is our Guru for AS11 file delivery and ever evolving delivery specifications across all broadcasters.
